Creative Consultants International Limited
multi-disciplinary consulting firm

Message

From the Managing Director

Dear Clients & Partners,

It is my great pleasure to say few words on behalf of Creative Consultants International Ltd (CCIL). CCIL has taken great pride in its ability in organizing highly qualified and experienced professional team in various fields and providing consulting services around the country and abroad. CCIL has been providing excellent consulting services in various fields including agriculture and rural development, environmental and other social sectors. It also provides hardcore technology areas like agricultural extension services, water management, irrigation, engineering, transportation, energy, etc. Recently, the driven it has made an attempt to increasingly focus on the Asia-Pacific region mainly because of the scope of work it offers. We hope to share our accumulated expertise with other partners in the development efforts of the Third World countries and look forward for better development and livelihoods improvement of the society.

Md. Abdul Mannan
Managing Director and CEO

COMPANY Background

Creative Consultants International Ltd (CCIL) is a multi-disciplinary consulting firm in Bangladesh. It has been inaugurated by a group of highly qualified and dedicated experts in the field of development interventions.
